

**The Christmass Song
(Children roasting on an open fire)**

**Children roasting on an open fire
Tophet nipping at their toes
Firewheel songs being sung by a choir
Of KKK in Baalim clothes**

**Every Muslim knows that Mecca is the place to go
To worship Hercules wife, Grove
Jehu said, "Jezebel your dead"
May the dogs eat your nose**

**God says that Jehu's on his way
He'll have you thrown from the balcony by slaves
And every Eunuchs child is gonna fly
If theres a way out of this and you don't die J-E-Z-E-B-E-L
Allahs crescent moon is on the wane
Then Sunrise Services for Baal
Ashtoreth is an upright tree
Happy Birthday dear Baal**
